

To Swipe Credit or Debit Card

Note: if the screen is blank – press any key.

1. Connect hose to tank
2. On **Credit Card** machine find the yellow button labeled **COMPLETE**
3. Press **COMPLETE** until \$ amount you want to pump is displayed
4. Available choices:

\$0.25	20 gals
\$0.50	40 gals
\$1.00	79 gals
\$1.50	119 gals
\$2.00	159 gals
\$3.00	238 gals
\$5.00	397 gals
\$10.00	794 gals

5. Swipe card to confirm purchase. (Bank transaction fee may apply.) **Note: You will be charged for dollars selected regardless of gallons pumped.**
6. Water will dispense as soon as the transaction is approved.
7. Press F4 (STOP) for emergency shutoff.
