

## **Instructions for using Prepaid Account with PAWSD @ Lyn Avenue**

**\*Before you begin, connect hose to tank\***

\*If screen is blank: press any key to begin\*

1. Enter Access # - if Access # starts with a 0, it will **not** be displayed  
(EX : 0123 = 123)
2. Press ←
3. Enter PIN – if PIN starts with a 0, it will **not** be displayed  
(EX : 0123 = 123)
4. Press ←
5. Screen displays how many gallons are left on your prepaid account (your reminder to add more if you are getting low!)
6. Press ←
7. Enter volume required
8. Press ←
9. Screen displays: “Hose Connected?? Are you ready to start??”
10. Press F1 to Start
11. Water will be dispensed immediately  
\*To stop early, press F4

**Monies added to prepaid accounts (by calling or coming to our office), update on the quarter-hour!**

A prepaid account with PAWSD offers the advantage of only charging your account for actual water pumped.
